

B. Other Stanford Advanced Degree Programs Completed or in Progress

(Consult the Bulletin for complete information on Residency unit requirements for multiple degrees)

Department	degree program	date completed/expected

Minor Department (if any): _____

C. Graduate Study at other Institutions. Use a Transfer of Residency form to receive residency credit.

In the rare cases where courses from elsewhere were not part of another degree and are allowed to satisfy Ph.D. unit requirements, include them among "Other" courses in section A., and attach a separate sheet describing the courses.

Institution	dates attended	degree awarded

D. Other University and Department requirements:

- Filing of Dissertation Reading Committee form
- University Oral Exam (defense of dissertation)
- Dissertation submission
- Residency (a total of 135 units, which may include the Aero/Astro MS)
- English Language Requirements - *please attach Screening Report from Linguistics/EFS* (these courses may also be listed on the reverse among "Other" in section A., or in your MS program)

Course #	Course Title	Course #	Course Title

Applicant's Signature: _____

Approvals: *The above applicant has met departmental qualifying requirements and is admitted to candidacy for the doctoral degree. The proposed program meets department and University requirements for the degree.*
